

**"Whatever you do, work at it with all your heart, as working for the Lord not for men"  
*Colossians 3:23***

Wouldn't it be nice if every one of us could dedicate our work like this. To be true servants devoting all we do to be the very best. Just think of the possibilities. How much better we would all be if we stepped out of our self-centeredness and offered the very best of ourselves. No more cold french fries. The grass cut just right. Our cars would run better. No paint drips or misses. Fair insurance prices and great health care. That would be nice!

Do we have the right to expect perfection from those who serve us? I don't think so. I know for sure you won't get *perfection* from Painting With Pride.

What you will get is a true desire to serve along with now twenty-six years of honing our skills and knowledge of our trade.

When painting or decorating everyone has different needs and priorities. Our goal is to deliver the very best to accommodate you needs. It's not our job to tell you what you want. We explain the many options then complete the job accordingly with the best skills and desire in the business.

Our prices are fair. Our intentions are honorable. To make a living while ensuring that you get a good job and we will be able to stay in business indefinitely, if it is in God's will for us to do so.

May God's blessings be with you.
